What we do

British Consulate-General Houston

- **Collaboration:** Facilitate US-UK scientific collaborations via workshops/scientist exchanges
- **Policy:** Advise UK Policy makers on latest Science developments in the US. Share best practice of UK policy with US (e.g. Stem Cell regulation/Climate Change)
- **Public Diplomacy:** Promote the UK Science base

UK Energy Policy Goals

British Consulate-General Houston

British
Consulate-General
Houston

1- To put ourselves on a path to cutting the UK's carbon dioxide emissions - the main contributor to global warming by some 60% by about 2050, with real progress by 2020;

2- To maintain the reliability of energy supplies;

UK Energy Policy Goals

British Consulate-General Houston

British
Consulate-General
Houston

- 3- To promote competitive markets in the UK and beyond, helping to raise the rate of sustainable economic growth and to improve our productivity; and**

- 4- To ensure that every home is adequately and affordably heated.**
