

TECHNICAL PROGRAMME

08:00 - 08:55	Registration and refreshments
Session 1 – Chair: Dr Clare Glover – ExxonMobil	
08:55 - 09:00	Kevin Dale - Sasol Energy Welcome and introduction
09:00 - 09:30	Keynote Address Dr. Alexander P. Bump - The University of Texas at Austin Playing for Keeps: Exploring for Carbon Storage
09:30 - 10:00	Catherine Horseman-Wilson - Wood Mackenzie CCS Implementation Across the World.
10:00 - 10:30	Jenny Joyce - ExxonMobil Subsurface Technology in Carbon Storage.
10:30 - 11:00	Refreshment break
Session 2 – Chair: David Pickering – Ramboll Energy	
11:00 - 11:30	Margaret Copland & Kirsty Simpson - North Sea Transition Authority What Comes First? The Site/Complex Definition or Legacy Well Assessment (Chicken or Egg).
11:30 - 12:00	Prof. Gary Hampson - Imperial College London Effective Permeability Determination of Lithofacies in the Bunter Sandstone Formation Reservoir, Endurance CO ₂ Storage Site, Offshore UK.
12:00 - 12:30	James Hamilton-Wright - bp plc Beyond Endurance: Appraising for a World-Class CCS Cluster.
12:30 - 13.30	Lunch break
Session 3 – Chair: Catherine Horseman-Wilson – Wood Mackenzie	
13:30 - 14:00	Børre Jacobsen - Independent (Managing Director Northern Lights - 2020-2024) CCS from Conception to Injection. How Years of Planning Has Now Led to Implementation of CO ₂ Storage Across the Globe.
14:00 - 14:30	Dr Michael Flowerdew - CASP Feldspars in CCS Reservoirs: Overlooked or Unimportant?
14:30 - 15:00	Peter MacKintosh – Spirit Energy Morecambe Net Zero (MNZ): Repurposing a Giant Depleted Gas Reservoir for Carbon Storage.
15:00 - 15:30	Refreshment break
Session 4 – Chair: Prof. John Underhill – University of Aberdeen	
15:30 - 16:00	Nick Terrell & Nick Richardson (UK Subsurface Task Force) <i>Title to be confirmed</i>
16:00 - 16:30	Hamish Wilson (MBA) - Azuli International A New CCS Licence on Australia’s N.W. Shelf, a Key Milestone in the Implementation Strategy for a Pure-Play CCS Company.
16:30 - 17:00	Dr. Chris Holdsworth - Carbfix Carbfix: Delivering In-Situ CO ₂ Mineralisation at Scale.
Plenary Session – Chair: Kevin Dale – Sasol Energy	
17:00 - 17:30	Reflection on the day Panel discussion with Session Chairs followed by Q&A
17:30 - 18:30	Evening Networking Reception
